

Allaah Taa'alā Kī Baadshaahat

Injeel : Luqaas 17:20-36

Kuch Fareesī logoñ ne (wo Yahudī log jo Musā^(a.s) ke qaanun par saḡḡtī se amal karte the.) Īsā^(a.s) se puchā, “Allaah taa'alā kī baadshaahat kab āegī?”

Īsā^(a.s) ne jawaab diyā, “Allaah taa'alā kī baadshaahat ā rahī hai, lekin wo is tarah naheen hai ki tum use apnī āñkhoñ se dekhoge.”⁽²⁰⁾ Log aisā naheen kaheñge, ‘Dekho, Allaah taa'alā kī baadshaahat yahaan hai!’ Yā, ‘Wahaan par hai!’ Naheen, Allaah taa'alā kī baadshaahat tumhaare aṇdar hai.”⁽²¹⁾ Tab unhone apne shaagirdoñ se kahā, “Wo din āegā jab tum Ādmī Ke Beṭe ko kam se kam ek din dekhne kī ḡḡwaahish zarur karoge, lekin tum use dekh naheen paaoge.”⁽²²⁾ Log tum se kaheñge, ‘Dekho, wo wahaan par hai! Yā, dekho, wo yahaan par hai!’ Tum jahaan par ho waheen raho; usko ḡḡhuñḡhne ke liye mat jaao.”⁽²³⁾

“Ādmī Kā Beṭā dubaarā waapas āegā aur jis din wo waapas āegā bijlī kī tarah chamkegā. Uskī chamak pure āsmaan ko ek kinaare se dusre kinaare tak roshan kar degī.”⁽²⁴⁾ Lekin us se pahale, Ādmī Ke Beṭe ko duniyā me bahut kuch sahnā paḡegā aur us daur ke log use ṡḡukrā deñge.”⁽²⁵⁾ Jab Ādmī Kā Beṭā dubaarā āegā to us daur me wahī hogā jaisā Nuh^(a.s) ke waqt me ho rahā thā.”⁽²⁶⁾ Nuh^(a.s) ke zamaane me log us waqt bhī khaane, peene, aur shaadiyaan karne me lage hue the jab Nuh^(a.s) apnī kashtī me sawaar ho rahe the. Aur jab baaḡḡh āī to sab log ḡḡub kar mar gae.”⁽²⁷⁾ Wo waisā hī waqt hogā jaisā Lut^(a.s) ke zamaane me huā thā. Wo log khaate the, peete the, aur saamaan ḡḡhareedte aur bechte the, khetī karte the, aur imaarateñ banaate the.”⁽²⁸⁾ Wo log ye kaam tab bhī kar rahe the jab Lut^(a.s) Sadum shahar ko ḡḡoḡ kar jā rahe the. Tab pure shahar par āḡ aur aṅgaaroñ kī baarish huī aur sab ko ḡḡhatm kar diyā.”⁽²⁹⁾ Jab Ādmī Kā Beṭā dubaarā āegā to bilkul aisā hī hogā.”⁽³⁰⁾

“Us din, agar koī ādmī apnī ḡḡat par hai, to apnā saamaan lene neeche ghar me nā jaae. Agar koī ādmī baahar apne khetoñ me hai, to apne ghar waapas nā jaae.”⁽³¹⁾ Yaad rakho ke Lut^(a.s) kī beewī ke saath kyā huā thā? (Jab usne shahar kī taraf waapas dekhā thā, to wo ek namak kā khambā ban gaī thī.)⁽³²⁾ Jo bhī apnī zindagī ko bachaane kī koshish karegā wo use kho degā. Lekin jo bhī apnī zindagī kho degā wo use bachā legā.”⁽³³⁾ Me tumko ek sach bataatā huñ. Us daur me, do log ek hī bistar par so rahe hoñge. Un me se ek ko le liyā jaaegā aur dusre ko ḡḡoḡ diyā jaaegā.”⁽³⁴⁾ Do aurateñ gehuñ pees rahī hoṅgī un me se ek ko le liyā jaaegā aur dusrī ko ḡḡoḡ diyā jaaegā.”⁽³⁵⁾ Do ādmī khetoñ me kaam kar rahe hoñge. Unmeñ se ek ko le liyā jaaegā aur dusre ko peeḡḡe ḡḡoḡ diyā jaaegā.”⁽³⁶⁾
